ANTHONY W. AYERS COMPANY, 14 and 17 PEARL STREET

The Nantucket Agricultural Society

Was Founded in 1856.

SINCE then, it has held annually at the fair grounds a Cattle Show and Fair, and at a hall in town an Exhibit of vegetables, fancy work, flowers, and domestic manufactures.

With the exception of this Society, the Island is isolated in agricultural interests from the rest of the State, and all persons interested in farming subjects are earnestly asked to co-operate in any way they can with the Society.
